Blessings,

Praying this message finds you well. As the holiday season approaches, we're asking our congregation to join us in celebrating and sharing the love of Christ within our underserved community by supporting GNG's "Helping Hands Holiday Toy & Winter Drive" sponsored by our Youths & Young Adults Ministries.

Your donated items will be distributed to our local neighbors during our community outreach event on December 16th, featuring a peaceful atmosphere, a hearty meal, arts and crafts for children, and more. The following donated items and in-kind support will truly be a blessing:

- **Bicycle/In-Kind Donations:** Children or adult bicycles and/or related items such as helmets, locks, or accessories to accompany the bicycles.
- **Toy/Book Donations:** Toys, books, games, board games, UNO, or other fun activities.
- **Winter Wear Donations:** Blankets, jackets, coats, ear muffs, skull caps, gloves, or any other winter accessories for children and adults.
- **Promotion and Outreach:** Assist us in spreading the word about our holiday drive through your business or personal networks and social media. [View/download our flier here](#)
- **Volunteer Support:** Volunteer your time and skills to help organize and execute our upcoming holiday event.

If you're willing to participate, we request your response and commitment by **December 10th** to ensure we have enough time to prepare these gifts for distribution and coordinate your in-kind support activities. Please click on the link below to reserve your spot for volunteering or to confirm your donation commitment.

Thank you for considering this opportunity to make a positive difference in our community. Your support will undoubtedly bring smiles and warmth to those in need during the holiday season. Together, we can be the beautiful hands and feet of Christ to show others the works of His love and compassion through us. If you have any questions or need more information, please don't hesitate to contact us.

Sincerely,

Keisha Y. Ceasar
